

Call for Abstracts

Submit Your Abstract and Get an Award!

A-PHPBA 2019 invites all interested individuals to submit abstracts for oral, poster, and video sessions through which we can share the most up-to-date research results and review challenging and interesting cases from around the world.

- **Abstract Type:** Oral, Poster, Video

- **How to Submit:** Online Submission via the Congress Web site (www.aphpba2019.org)

Scientific Award

- Best Oral Presentation Award
- Best Poster Award
- Best Video Award
- Young Investigator Award

Travel Grant

The Organizing Committee will provide Travel Grant to selected overseas presenting authors whose abstracts are accepted for presentation.

The Travel Grant will be USD 500 up to USD 1,000 each depending on the distance travelled by the grantee.

Host City, Seoul

A-PHPBA 2019

The 7th Biennial Congress of the
Asian-Pacific Hepato-Pancreato-Biliary Association

September 4 (Wed) - 7 (Sat), 2019 Coex, Seoul, Korea

www.aphpba2019.org

Welcome Message

Dear Colleagues and Friends,

On behalf of the Local Organizing Committee, it is my great pleasure to invite you to the 7th Biennial Congress of the Asian-Pacific Hepato-Pancreato-Biliary Association (A-PHPBA 2019) hosted by the Korean Association of HBP Surgery, which is scheduled to be held from September 4 (Wed) to 7 (Sat), 2019 in Seoul, Korea.

A-PHPBA 2019 promises to be a great occasion to present advanced techniques in the diagnosis, treatment, and surgery of HPB related diseases, exchange information, and share valuable academic researches and cases. In particular, A-PHPBA 2019 will propose a Live Demonstration Session which will provide participants with an opportunity to witness the most up-to-date surgical accomplishments and techniques.

The Local Organizing Committee is confident that A-PHPBA 2019 will bring innovation and further advancement in the scientific level and quality of the field of HPB diseases.

I look forward to meeting you all at A-PHPBA 2019 in Seoul, Korea!

Sincerely yours,

Kyung-Suk Suh, M.D., Ph.D.
Congress Chairman, Local Organizing Committee
A-PHPBA 2019

Important Dates

- Opening of online abstract submission
September 2018
- Abstract submission deadline
March 15 (Fri), 2019
- Notification of acceptance
May 15 (Wed), 2019
- Super early registration deadline
April 15 (Mon), 2019
- Early bird registration deadline
June 15 (Sat), 2019
- Pre-registration deadline
July 15 (Mon), 2019

High-quality Scientific Program

- **Presidential Lecture:** Hear what the president has to tell us about HPB surgery!
- **Living Legend Lecture:** Listen to the living legends and learn from their experience.
- **Post Graduate Course:** More basics, tips, and tricks to improve your practice!
- **Live Surgery (Unedited Video):** See how experts actually perform their surgery and share your ideas!
- **Meet the Experts:** A chance to meet and communicate in person with world-renowned experts.
- **Symposiums:** Diverse symposiums on what we all want to know about. Come and get the answers!
- **Debate Sessions:** Hot debates on controversial issues are waiting for you.
- **Update Sessions:** Stay updated! An easy way to gather all the up-to-date knowledge.
- **Invited Video Lecture by Legendary Surgeons:** Once in a life time experience to see with your own eyes legendary surgeons in action!

Scientific Program

| | |
|--------------------------|--|
| Sep. 4 (DAY1) | <p>Live Surgery, Unedited Videos for Advanced MIS-HBP Surgery [Post Graduate Course] Liver: Beginner Course, Advanced Course Pancreas & Biliary: Knack and Tips for Biliary-Pancreatic Surgery: Laparoscopic Surgery, Advanced Open Surgery</p> |
| Sep. 5 (DAY2) | <p>Opening Ceremony & Presidential Lecture Living Legend Lecture, Luncheon Symposium, Oral & Video Session, Poster Presentation</p> |
| | <p>Liver [Meet the Experts] How to Deal with Metastatic Liver Tumors [Symposium] Updates in Innovative Techniques for Liver Surgery Intriguing and Challenging Situations for Treatment of Colorectal Liver Metastasis [Update] The Future Is Coming</p> |
| | <p>Pancreas [Meet the Experts] Prevention and Management of Complications after Pancreatectomy Optimal Extent of Resection for Pancreatic Cancer [Symposium] Evidence of Oncologic Effectiveness of Radical Resection for Pancreatic Cancer Clinical Practice for Borderline/Locally Advanced Resectable Pancreatic Cancer [Update] Update of IPMN</p> |
| | <p>Biliary [Symposium] Palliative Management of Unresectable Perihilar Tumor Biliary Stricture: Differential Diagnosis and Treatment of Biliary Strictures [Luncheon Symposium] Prevention of Post Cholecystectomy Syndrome [Update] How to Balance Efficacy and Toxicity of Chemotherapy in Bile Duct Cancer [Debate] The Need for Laparoscopic Cholecystectomy in CBD Stone Patients without GB Stone</p> |
| | <p>Transplant [Meet the Experts] The Art of Liver Transplantation-How I Do It [Symposium] How to Improve Oncologic Outcomes of Liver Transplantation for HCC What's New in Liver Transplantation for Non-HCC Malignancies? [Update] Bioengineering Techniques and Liver Transplantation</p> |
| | <p>HBP [Symposium] The Current Knowledge and Methods for the Safest Cholecystectomy</p> |

Invited Video Lecture by Legendary Surgeons Luncheon Symposium, Best Oral Session, Oral & Video Session, Poster Presentation

| | |
|--------------------------|--|
| Sep. 6 (DAY3) | <p>Liver [Meet the Experts] Liver Surgery - That's Complicated [Symposium] Evidence-Based Minimal Invasive Hepatectomy What's Making a Paradigm Shift in HCC? Surgical Challenges in Hepatectomy for HCC [Debate] Management of HCC</p> |
| | <p>Pancreas [Meet the Experts] Which Is an Ideal Modality for Minimally Invasive Surgery?: Robotic vs. Laparoscopic Pancreatectomy [Symposium] Updates in Pancreatic Neuroendocrine Tumor Surgical Strategy for IPMN [Update] Minimally Invasive Surgery for Pancreatic Cancer Surgical Treatment for Acute Pancreatitis Updates in Postoperative Pancreatic Fistula Definition [Debate] Upfront Surgery vs. Neoadjuvant Treatment for Resectable Pancreatic Cancer</p> |
| | <p>Biliary [Symposium] Panel Discussion: Controversial Issues in the Published Guideline of GB Cancer (Video) Novel Surgical Techniques to Improve Curative Resection of Klatskin Tumor [Debate] Gallbladder Polyps > 1cm: Is Cholecystectomy Necessary? Ampullectomy Versus Pancreaticoduodenectomy for Early Ampullary Cancer</p> |
| | <p>Transplant [Meet the Experts] Technical Pearls and Pitfalls in Liver Transplantation [Symposium] Living Donor: From Ethics to Outcome Panel Discussion: Hepatic Venous Outflow Reconstruction in Living Donor Liver Transplantation [Update] Update in Immunology for Liver Transplantation [Debate] Post-Liver Transplantation Prophylaxis for Viral Hepatitis</p> |
| | <p>HBP [Symposium] International Panel Discussion: Training and Educating HPB Surgeons to Meet the International Standards Expansion of A-HPBA Membership HBP Surgeon's Burnout Training System of Robotic Surgery and Development of New Robotic Platform Robotic Surgery</p> |
| Sep. 7 (DAY4) | <p>Closing & Awards Ceremony Plenary Oral Session, Oral & Video Session</p> |
| | <p>Liver [Symposium] Evolutions in Intrahepatic Cholangiocarcinoma [Update] Recent Updates in Benign Liver Diseases</p> |
| | <p>Pancreas [Symposium] New Treatment Modalities for Pancreatic Cancer [Update] Biomedical Perspectives and Application in Pancreatic Ductal Adenocarcinoma</p> |
| | <p>Biliary [Symposium] Enhanced Recovery after Laparoscopic Cholecystectomy [Update] What Is New in Intraductal Papillary Neoplasm of Bile Duct?</p> |
| | <p>Transplant [Symposium] Upcoming Issues in Liver Transplantation for Alcoholic Liver Disease (ALD) and Non-Alcoholic Steatohepatitis (NASH) [Update] Bioengineering Techniques and Liver Transplantation</p> |
| | <p>HBP [Update] Knowledge Is Power : Educating Surgeons</p> |
