### 1) Introduction of A-PHPBA

The Asian-Pacific Hepato-Pancreato-Biliary Association (A-PHPBA) was founded in November 2006 with a view to letting Asia-Pacific HPB specialists gather together to share their experiences and ideas, and fostering mutual understanding. A-PHPBA consists of approximately 580 members from 12 countries including Asian-Pacific national chapters.

❖ Asian-Pacific National Chapters: Australia & New Zealand, China, India, Indonesia, Japan, Korea, Malaysia, Mongolia, Pakistan, Philippine, Singapore, Sri Lanka, Thailand

After the signing of the agreement with IHPBA in 2003, A-PHPBA serves as one of three regional associations under the umbrella of IHPBA. The regional associations hold their congresses in the odd years in the alternate years between IHPBA world congresses.

### 2) Introduction of A-PHPBA 2019
